

LESSON TITLE: CONDUCTOR'S HAT

LESSON OBJECTIVE: To make a conductor's hat.

LESSON ACTIVITY: Students will make and wear conductor's hats.

PROCEDURE:

- 1) Photocopy Activity Sheet CH onto cover-weight white paper.
- 2) Distribute the photocopies of Activity Sheet CH.
- 3) Have students cut out the hat area and along the dotted line A to make two sections, the brim and the front of the hat. Students may wish to paint the backs of the two sections before assembly.
- 4) Have students fold the back edge of the brim along dotted line B and staple it to the bottom face of the front of the hat.
- 5) Help students punch holes one half inch in from each side where the brim is attached and place a twenty-four inch string across the front and into the two holes.
- 6) Adjust and tie each hat for the student.

CONDUCTOR
